

2005 USLA National Lifeguard

CHAMPIONSHIPS

August 10 -13, Virginia Beach, VA

Presented by: **speedo** 

Equipment Drop-off

- **Boardwalk Drop-off** – Anyone using a vehicle incapable of driving on the beach should stop by the registration table at the 24th St. Park between 12:00PM and 6:00PM on Wednesday, August 10, 2005. A permit will be given for the operator to drive the vehicle on to the Boardwalk Access located directly south of 2701 Atlantic Ave. (Dairy Queen). The Equipment Holding Area will be immediately north of the stairs at 27th Street. **Equipment drop-off needs to take place as quickly and safely as possible with spotters guiding any large vehicles at all times.**
- **Beach Drop Off** – Anyone driving a vehicle capable of delivering heavy equipment on the beach must also come by the registration table at the 24th Street Park on Atlantic Avenue to pick up a pass that will allow beach access at 37th Street. Vehicles will travel along Atlantic Avenue north from 24th Street to 37th St. taking a right immediately on to the Boardwalk and Beach Access. Vehicles (MUST HAVE AND USE 4-WHEEL DRIVE!) will drive on to the beach staying close to the Boardwalk and travel to the Equipment Drop-Off area located in the fenced off area immediately north of 27th Street. All personal vehicles must then return to the 37th St. Access and leave the beach. The permit will grant the operator the opportunity to return Saturday afternoon or Sunday morning to load the equipment.
- **Anyone driving officially marked Agency Vehicles will receive a permit to keep the vehicle parked on the beach throughout the duration of the competition. Permits will be available at the 24th Street Park Registration. Vehicles must use the 37th Street Access and remain parked on the beach throughout the competition.**

Security will be assigned to the competition site from 8:00PM to 600AM: Wednesday, August 10 through Sunday, August 14.
